ABOUT THE STUDIO

Creativity is intelligence having fun! – Albert Einstein

Welcome to our furniture catalogue! Whether you're looking for modern and functional pieces or classic and timeless designs, we aim to be your design partner; co-creating, curating and envisioning pieces with opulence

With a passion for creating beautiful and functional furniture, we have a deep understanding for *high-quality materials, attention to detail, and a commitment to quality.*

Handcrafting furniture requires skill, precision, and attention to detail. With a strong team of experienced artisans and an infusion of latest technology, Arbor aims to create pieces that stand the test of time

ALISHA BAFNA, FOUNDER & CREATIVE HEAD

Creativity and Imagination have been a part of my life for as long as I can remember. Having a good sense of aesthetics, form & balance, I maneuvered my way through understanding the ABCs of product design. We are a boutique brand focusing on creating one of a kind pieces that are tailor made to your requirement.

Be it wood, metal, glass or marble, we have a core team of artisans creating bespoke furniture for modern spaces - residences, commercial spaces and outdoor spaces
